

Town of Fifield
Special Meeting – Annual Road Tour Minutes

4/11/2024

Roll Call: W. Felch, A. Sloane, J. Smith and T. Fleming

Road Tour began at 8:10 am

Smith Rapids Rd – Federal to replace culverts, Town will haul the gravel for that and do yearly maintenance

Fishtrap Rd/FR 147 – Possibility of the bridge being pulled out and the road shut down - the 6' – 20' culvert program could prevent this

Shady Knoll Rd/FR 144 – The bridge is done, looks good, only yearly maintenance needed

Cy's Drive – project completed, still working on moved property marker

Brahmstadt Rd – Dust issue, T. Fleming will contact the County regarding spraying sodium chloride to cut the dust down

Bay Rd – survey in progress, grading and graveling from Shady Knoll/FR 144 to the end of North Bay Rd

North Bay Rd – possible turn around at end of North Bay Rd

Riley Lake Rd/FR 137 – finish ditching

Hicks Landing Rd – applied for ARIP, for five miles, answer sometime in August

Old 13 Rd – from railroad tracks to Peter's Rd, 1.7 miles, needs repairing - boulders need to be pulled and new culverts

White Rock Rd – yearly maintenance

Simon Rd – yearly maintenance

North Voight Rd – needs culverts, grubbing, gravel and a turn around at the end, scheduled for this summer

Walnut St/TRID Project – project underway, trees removed, consideration for new sidewalks – especially by the church this year and bid out for the rest in the future

Adjourn/The Road Tour completed at 2:30 pm

Respectfully Submitted,

Crystal Cowling, Clerk/Treasurer

Kelly Kleinschmidt, Deputy Clerk/Treasurer
